

Unleash your inner artistic talents with THE ASHTON KEYNES MUSIC & ARTS FESTIVAL 2017!

Wednesday 28th June - Sunday 2nd July

This wonderful village festival takes place every three years and is a massive celebration of the musical and artistic talent in Ashton Keynes.

The 2017 line up is looking like this:

Wednesday 28th June

Village Voices, Holy Cross Church

Thursday 29th June

Literature Event + 500 Words story competition (adult entries), Ashton Keynes School Hall

Karaoke in the White Hart

Friday 30th June

500 Words story competition (junior entries), School Hall

Friday Night Live, Bradstone Marquee

(Live music and talent)

(Live music & comedy from our very own village talent)

Saturday 1st July

Ashton Keynes Shows Off, Bradstone Marquee

(Villagers with a talent or hobby 'show it off' and inspire others)

Open Gardens & Studios PLUS the Scarecrow Tour

The Big Saturday Night Do, Bradstone Marquee

Sunday 2nd July

Big Brunch with local bands, Bradstone Marquee

Family Picnic, Bradstone Marquee

(Music provided by AK School, village families & their children)

Would you like to be involved?

If you have a talent... gardening, arts, crafts, music or a hobby such as bee keeping, framing or stamp collecting and you'd like to get involved, please don't be shy! We'd LOVE to display your work, hear you talk or have you perform at one of the events - you might be 5 or 105, everyone is welcome.

We also need volunteers to help run the festival. The organising team will coordinate and keep time to a minimum and it's a great opportunity to make new friends. If this flier has tickled your interest or you know someone who'd be a good fit for the festival, drop us an email at:

ashtonkeynesfestival@gmail.com

More info to follow shortly, including details of workshops and nights out around the village, that will be taking place over the coming weeks and months.

Please also check the village magazine and the website for more details as we'll be updating this regularly. **www.ashtonkeynes.org.uk**
